Intel Certified Artificial Intelligence Lead Coach @ Government of Bangladesh | ICT National Trainer | Telecommunications Network Specialist | Ex- Banglalink | EdTEch | Programmer @ EMIS, DSHE Dhaka, Bangladesh

Summary

As an Intel Certified Artificial Intelligence Lead Coach, I empower young learners and educators with the skills and knowledge to harness the power of AI for achieving Smart Bangladesh. Since November 2022, I have been working with the Government of the People's Republic of Bangladesh to implement the Intel AI for Youth Program, which aims to inspire and equip the next generation of AI innovators and leaders in the 4IR era.

In addition, I serve as the Head of the ICT Department at the Ministry of Education, where I oversee the development and execution of ICT policies, projects, and initiatives for the education sector. With over 14 years of experience in Mobile communication and networking, I bring a diverse and dynamic perspective to my role. I am also a Project Management Professional (PMP), certified by DaySpring Limited, a (PMI)® Approved Premium Training Partner and I have completed several certifications in mobile back-haul for 4G/LTE, mobile transmission system, Quality Education Development Project (CEDP) by Nottingham University Malaysia.
